

Villa del Sol SIR788

SOLD

PROPERTY OVERVIEW

Thank you for your interest. this property has SOLD and is no longer available

- Villa del Sol is a five bedroom, luxury hilltop home with spectacular views of the ocean, mountains and village of Sayulita, and only a five minute walk to the beach. This beautiful hacienda style home has terracotta tile floors throughout, custom hardwood cabinets and doors and travertine counters, sinks and showers in the bathrooms. The gentle ocean breezes naturally cool the home and each bedroom is air conditioned. There is a large swimming pool and pool deck overlooking the sea.

This three level home has over 4500 square feet of living space with two - 2 bedroom, 2.5 bath villas with large terraces and there is also a 1 bedroom studio casita with kitchenette at the pool level. Each villa is completely private and has separate access.

This property has a successful rental history and is perfect for a large family or for two families to share.
