

## CASA IPOMEA SIR62421

**\$270K**

### PROPERTY OVERVIEW

**CASA IPOMEA** – Nestled into the lush hillside of North Sayulita, three blocks from the beach, **Casa Ipomea** is a peaceful retreat into tropical living. This new ecofriendly building includes six duplexes, built among the trees and boulders that surround this magical spot.

Designed and built by BAC Architects, a company with fifteen years of experience designing and building residences and condominiums. The design of **Casa Ipomea** preserves as many existing trees and palms as possible, and the exterior design is very respectful of the natural environment. Built using local materials that show off this contemporary Mexican Architecture.

Ground floor units have pleasant high ceilings, 2 bedrooms and 2 baths, kitchen, dining and living roof.

Penthouse units have 2 bedrooms, 3 baths, kitchen, dining and living room and a partial ocean view, covered with a huge palapa roof.
