CASA HERMANITA SIR 982222

$570K

PROPERTY OVERVIEW

Casa Hermanita (SOLD) was designed and built by well-known architect Raul Velazquez in 2008 utilizing a unique Moroccan design. From the polished Palladio walls to the carved stone Cantera window frames and columns, **Casa Hermanita** remains as beautiful today as when she was originally built. A spacious 1 plus bedroom home with bonus room that can easily be converted into a second bedroom, with a large lot for gardening or more constructions. The Moroccan design can be seen as well in the two full bathrooms, walled garden with pool, and gated parking. **Casa Hermanita** is a peaceful and lovely home in the Estropajera neighborhood, just 10 minutes from downtown Sayulita.
