

## CASA MINKA SIR70823

\$795K

### PROPERTY OVERVIEW

**Casa Minka** is an architectural masterpiece nestled on almost ½ acre of land just outside of downtown Sayulita. Designed and built by architect Raul Velasquez in 2019, the main house consists of 1 large bedroom and two baths, fantastic kitchen, office space and luxurious master bath. The additional studio provides ample space for two more bedrooms or can easily be converted into a separate home. The house has tremendous volume and flows easily from indoor to outdoor spaces. The details in **Casa Minka** are awesome, from the beautiful floors to the stunning wood roof beams and handrails. With a huge garden and views to the jungle, **Casa Minka** feels like a retreat yet it's only minutes to downtown Sayulita.
