

CASA AZUL SIR022024

\$1,250,000
USD

PROPERTY OVERVIEW

CASA AZUL - A beautifully designed home in one of Sayulita's best locations... just half a block to the beach walking distance to downtown. **Casa Azul** was architecturally designed and built in 2002 by renowned local architect Estela Gayosa with great attention to quality construction and detail. The contemporary Mexican design is great for entertaining large groups and enjoying the outdoor lifestyle of Sayulita. **Casa Azul** features cantera and tile floors, marble counters and a soaring palapa roof that is a true work of art. Great rental property with excellent rental history.
